EDUCATION

The University of Texas at Austin (Class of '22) -- Computer Science Major. Cumulative GPA: 3.46

Lake Highlands High School (Class of '18) (Dallas, Texas) -- Graduated 7th out of 562 students

SKILLS

Programming Languages -- Competent with Java, C, C#, and x86-64 assembly. Learning Papyrus and Python. Comfortable navigating Linux shells using terminal commands

Coursework

Previously Completed -- Data structures (taught in Java), computer architecture (taught in C and x86 assembly), Operating Systems (taught in C), Calc 1 and 2, differential equations, linear algebra, and a computer-science oriented discrete math course

Video-game Engines -- I am familiar with and use *Unity* to make games, as well as Bethesda's *Creation Kit* to make various mods for *Skyrim*

Git-Hub -- I use Git Hub's Linux shell commands for version-control on repositories while working on collaborative video game projects, collaborative school projects, and personal projects

WORK EXPERIENCE AND COMMUNITY SERVICE

Sprouts Farmers' Market (6/2019 - 8/2019) -- Worked as a front-end courtesy clerk assisting all customers, and worked closely with head managers of the grocery, stocking, and back-end departments doing various tasks; frequently helped close

My Office (7/2018 - 8/2018 and 1/2019) -- Worked as a general employee (one of five) at a small, corner office store. I ran the register, helped ship packages, printed/faxed, took phone calls, and frequently opened/closed

Lake Highlands Tennis Camp (6/2017, 6/2018, and 6/2019) -- Served as a camp counselor for a large group of kids aged five to fifteen; organized drills/games, kept the children engaged and learning the sport. Across three summers of the camp I served five weeks total, 20 hours per week

ACTIVITIES

EGaDS! -- Electronic Game Development Society (College) -- Member freshman year, junior officer (shadowing the industry outreach position) sophomore year, and president junior year. Attended a 36-hour UT Game Jam September 2019; our game won best Sound/Music out of 10 plus submissions. Attended the 48-hour Global Game Jam in 2020; our game won best cooperative game out of 30 plus submissions at the Austin site

National Honor Society (10th - 12th) -- Participated as a member and completed 20 hours of volunteer work yearly

Lake Highlands Tennis Team (9th - 12th) -- Varsity player and captain (chosen by coach) senior year

AWARDS

Luck Family Foundation Scholarship -- One of a dozen from my high school graduating class to be selected based on character, grades, and moral standing to receive this scholarship

Nomination for Davey O'Brien Scholarship -- Sole nominee from my high school graduating class for this scholarship. I was nominated based on my character, grades, and participation in a varsity sport my senior year. I competed against other nominees in the DFW area, but did not receive the scholarship
